

Memorandum

MIAMI-DADE
COUNTY

Date: April 21, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Agenda Item No. 8(F)(10)

Subject: Recommendation to Ratify Emergency Award: Rehabilitation of Secondary Clarifiers

This item was amended at the March 10, 2015 meeting of the Strategic Planning and Government Operations Committee to replace the term "repairs" with "rehabilitation" or "rehabilitate," as appropriate, as well as replace "Proprietary Funds" as the funding source with "Renewal and Replacement Funds."

Recommendation

It is recommended that the Board of County Commissioners (Board) ratify emergency contract award E9825-WS, *Rehabilitation of Secondary Clarifiers* to Moss - Kelley, Inc. for the purchase of rehabilitation and replacement services, including the associated demolition and installation of three (3) clarifiers (i.e., settling tanks) for the Water and Sewer Department. Clarifiers are used at the North District Wastewater Treatment Plant (Plant) to remove solids during the sewage treatment process. Three (3) of the clarifiers had failing components, resulting in the Plant's reduced capacity to treat the flow of sewage. Due to concerns of a potential public health hazard, the Water and Sewer Department initiated an emergency purchase on November 4, 2014 to swiftly rehabilitate and replace the failing internal components through a competitive bid among the pre-qualified vendors under existing *Contract No. 9138-5/19*.

On December 2, 2014, the Board modified *Contract No. 9138-5/19* through Resolution R-1046-14 to authorize the additional funding needed to complete this purchase. However, because there was not sufficient allocation on the contract at the time the emergency was declared, it is necessary to present this emergency purchase for Board ratification.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for this emergency purchase is \$3,052,298. The proposed allocation is budgeted as follows:

Department	Allocation	Funding Source	Contract Manager
Water and Sewer	\$3,052,298	Renewal and Replacement Funds	Gregory Hicks
Total	\$3,052,298		

Track Record/Monitor

Maggie Reynaldos of Internal Services Department is the Procurement Contracting Officer.

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise all provisions of the contract pursuant to Section 2-8.1 of the County Code and Implementing Order 3-38.
